Faughn, James Lawrence 1910-1985

James Lawrence Faughn Papers, 1928 – 1980

Bulk Dates: 1947-1980

Physical Description: 6 record center cartons

Arrangement of Collection (if known):

Description: The Faughn papers include correspondence, notebooks, reports, log books, drawings and photographs documenting his career at Scripps Institution of Oceanography (1947-1974). The majority of the material represents his years as captain of several SIO vessels. He was captain of R/V HORIZON on Midpac Expedition (1950) and Northern Holiday Expedition (1951). He was also captain of R/V STRANGER during Naga Expedition (1958-1961) in the Gulf of Thailand and the South China Sea. He captained R/V ALPHA HELIX during Billabong Expedition (1966) in Australia, as well as Amazon Expedition (1967). The collection includes very few items documenting Faughn's naval career (1927-1947).
