

Accession No.: 2004-19

PROCESSING RECORD
SCRIPPS INSTITUTION OF OCEANOGRAPHY ARCHIVES

Griffith, Jo P.

Jo P. Griffith Papers, 1976-2003

Physical Description: 1 mss

Description: The accession consists of photographs, original artwork, flyers, parodies and other material created or collected by Jo P. Griffith, illustrator at the Marine Physical Laboratory. The accession includes snapshots and portrait photographs of individuals including John A. Hildebrand, Peter Lonsdale, Russell Raitt, Fred N. Spiess, Victor Vacquier and photographs of groups and events. The accession includes original artwork, designs, posters and certificates associated with the annual Scripps Beach Picnics. The accession includes cruise certificates for Indopac and other expeditions. The accession includes photographs and drawings of Scripps Institution of Oceanography research vessels and Marine Physical Laboratory instruments, including Deep Tow, RUM. The accession included several parodies. A parody of an MPL memorandum by R.D. Bullard is entitled, "The Truth about Seacliffe: Scientific Users Manual, March 1987." A parody of a c1981 cruise report is entitled, "RAMA8, 23 gnarly days." The accession includes a 1981 parody of the SIO Log.

Lonsdale, Peter Frank; Raitt, Russell W; Vacquier, Victor; Science Humor; Indopac Expedition
