Physical Description: 195 color photographs (4X5 and 4X6) and 151 35mm color negatives

Description: The accession consists of 195 color 4X5 and 4X6 inch photographs and 151 original 35mm color negatives taken by Norman Sattler at the Scripps Institution of Oceanography, UCSD from January 10, 1985 to May 6, 1988. Sattler, head of the Contracts and Grants office at the Scripps Institution of Oceanography, employed his avocation, photography, to document events at the Scripps Institution of Oceanography. The collection includes 30 color 4X6 photographic prints of the presentation of the U.S. Navy Meritorious Civilian Service Award to Dr. Robert E. Stevenson, scientific liaison officer for the Office of Naval Research at the Scripps Institution of Oceanography on January 10, 1985. The photographs include images of Dr. Stevenson and presentors Rear Admiral Brad Mooney, Dr. Paul Scully-Power and Robert L. Crippen. The collection includes over 100 prints and original negatives of the construction of the Ellen Brown Scripps Memorial Pier. Most of the photographs document pier construction. The collection also includes photographs of events and individuals. For instance, the accession includes images from the SIO Pier Dedication Ceremony held March 26, 1987. These images include photographs of speakers including Richard Atkinson, Jeffery Frautschy, Edward A. Frieman, Ellen Clark Revelle, Roger Revelle, and Susan Golding, and the audience, including members of the Scripps Family. The collection includes a few photographs of the 18th annual Scripps Institution of Oceanography beach picnic held August 2, 1987. These images include a portrait of George Shor. Images of the Scripps Halloween party held October 30, 1987 include photographs of Christopher Garrod, William A. Nierenberg and others in costume. Photographs of the January 11, 1988 dedication of Nierenberg Hall include images of speakers including California Governor Pete Wilson and William A. Nierenberg and images of members of the audience including members of the Nierenberg Family. There are two images of a demonstration that disrupted the ceremony. Demonstrators hold banners which say, "Close the Contragate: No more U.S. Aid to Terrorists," and "Pete Wilson: Contras Bork Yes, Yes; We the People: Contras Bork No, No; Is this Democracy?"
