Shor, Elizabeth Noble 1930-

Elizabeth Noble Shor Slides, 1976 - 1977

Physical Description: 150 Kodak Kodachrome 35mm color slides

Description: The accession consists of 150 Kodachrome color 35mm slides taken by Elizabeth N. Shor while aboard and ashore during Scripps Institution of Oceanography Indopac Expedition, and while George Shor was attending a CCOP meeting in Malaysia, with dates from July 6, 1976 to April 24, 1977. The images include photographs of expedition participants including Bob Kieckhefer, Keifher Lowden, Russell Raitt, Elizabeth N. Shor, Gary Sullivan, and Alex Velasco. There are photographs of ports including Guam, Keelung, Taipei, Port Moresby, and Papua, New Guinea. Images of ships include Townsend Cromwell and Chiu Lien. The slides include photographs of instruments and work at sea, and equator-crossing festivities. The slides are accompanied by a copy of Elizabeth N. Shor's slide index, which identifies and dates each slide.
